

CLAUSE I-79 – NEW MATERIAL (August 2002)

Unless this subcontract specifies otherwise, the Subcontractor represents that the supplies and components, including any former Government property identified under the Used or Reconditioned Material, Residual Inventory, and Former Government Surplus Property clause of this subcontract, are new, including recycled (not used or reconditioned) and are not of such age or so deteriorated as to impair their usefulness or safety. If the Subcontractor believes that furnishing used or reconditioned supplies or components will be in SURA's interest, the Subcontractor shall so notify SURA in writing. The Subcontractor's notice shall include the reasons for the request along with a proposal for any consideration to SURA if SURA authorizes the use of used or reconditioned supplies or components.
